

# NATIA Mid-Atlantic Chapter Training & Technology Exhibition

MARCH 11-24, 2025  
HYATT PLACE DEWEY BEACH  
1301 Coastal Highway, Dewey Beach, DE

**All active NATIA members are invited to participate in our in-depth 3D Printer training this spring in Dewey Beach, Delaware! In addition to this hands-on workshop, we will again host our popular technology exhibition that brings leading technologies to your backyard.**

## In-Depth 3D Printing Workshop

This spring's training will focus specifically on 3D Printing, to include the assembly, setup and calibration of the Elegoo Neptune 4 Pro 3D Printer, in addition to Tinkercad and Fusion 360 tutorials.

### FREE EQUIPMENT WITH TRAINING:

- Elegoo Neptune 4 Pro 3D Printer
- Filament
- Digital Caliper
- Miscellaneous Tool Kit

### Training Fee: \$300

\$300 training fee includes two and a half days of training, two days of exhibition time, evening reception on Tuesday. All members who attend will bring equipment in addition to their training knowledge.

### Registration & Cancellation Deadline & Fees

To accommodate equipment ordering, **the last day to register is Wednesday, February 26<sup>th</sup>.**

**The last day to cancel your registration without penalty is Wednesday, February 26<sup>th</sup>.** Cancellations must be received via email to [MABoard@natia.org](mailto:MABoard@natia.org) by this deadline. Late cancellations will incur a \$50 late fee, regardless of agency approval or attendance.

### Event Questions

Event questions are welcome at [MABoard@natia.org](mailto:MABoard@natia.org).
